STRATEGIC PLAN

Tallink's vision is to be the market pioneer in Europe by offering excellence in leisure and business travel and sea transportation services

Long term objectives toward increasing the company value and profitability:

- Strive for the highest level of customer satisfaction
- Increase volumes and strengthen the leading position on our home markets
- Develop a wide range of quality services directed to different customers and pursue new growth opportunities
- Ensure cost efficient operations
- Manage the optimal debt level that will allow sustainable dividends

Current focus is on core operations to realize past investments. Along with the optimal fleet deployment the emphasis is on the profitability improvement and deleveraging.

Current strategic cornerstones and competitive advantages:
